

SPRING 2006

**ON-LINE REGISTRATION FOR FALL
INTRAMURAL & TRAVEL**

www.tesoccer.org

**YOU MAY REGISTER ANYTIME BETWEEN
APRIL 1st AND JUNE 15th**

**For those who do not have access to a computer,
the public libraries are equipped and ready to help.**

YOU WILL NEED MC or Visa for PAYMENT

Anyone trying out for travel should wait to register until
you know if you are playing travel or intramural.

**TRAVEL
TRYOUT
SCHEDULE
BELOW**

Registration for Fall, 2006 begins April 1, 2006

Registration for Intramural and Travel Players, Intramural and Travel Coaches, Sponsors, and Referees is all done on line. Find the registration forms at the league website www.tesoccer.org. Click on the registration button to get started. Click on the words Go to Registration Form and fill in all the information that is requested. Much of the player's information will already be completed. Players who are new to TEYSA should be registered as New and will have to enter ALL of the information requested. MasterCard and Visa are accepted for payment, which must be made online. Registration is considered to be "on time" if it is done before June 15, 2006. Late registration is from June 16 – July 31st for an additional \$10 per player late fee. Registration from July 31st - August 26th is on a waiting list basis for an additional \$25 per player late fee.

When registering, please put your email address you read most frequently. If you are registering more than one child you can put a different email address for each child. (i.e. Work and home)

FEES FOR 2006 INTRAMURAL & TRAVEL

\$95 PER PERSON, \$240 MAXIMUM PER FAMILY

(FINANCIAL AID AVAILABLE FOR BOTH INTRAMURAL & TRAVEL, PLEASE INQUIRE)

Registration is open to girls and boys from grades K – 12 for intramural level of play.

Everyone registered by June 15th will be guaranteed a place on a team. Late registration will be available but will only be accepted if space is available.

Play/Practice begins after Labor Day and continues through November 18th / 19th.

Travel players selected for the fall season cannot play in the intramural league.

No refunds will be given after July 1st.

(Exceptions: medical reasons and moving out of town)

ANY REFUND WILL BE CHARGED A NOMINAL PROCESSING FEE

**Questions? For registration email-regteysa@comcast.net. All other
questions email kfm58@aol.com .**

E-mail addresses for conference managers & officers can be found on our web site.

Volunteers Needed!!

Because the size of our league has grown so large, we are always in need of volunteers to help us during the fall season. At registration you will be asked to help in coaching, field preparation, equipment distribution, awards distribution, and light administrative duties. Due to the lack of volunteer help in the past, **we must insist that everyone volunteer to help in at least one area or pay a \$20 fee in lieu of volunteering.** Below are a few of the volunteer positions that need to be filled. Please have your calendar with you when you register so you will be able to fulfill the task you sign up for.

TEYSA Board Member- willing to serve in a position on the board. (i.e. Conference manager) **Immediate Openings** for Conference Managers: Kindergarten Girls, Third Grade Girls, Masters Girls (7th-12th), 4th Grade Boys

Coach – one practice per week and a game every Saturday

Asst. Coach – same as Coach

Field Layout- Take responsibility for having field lined each week

Equipment Inventory and Preparation – Late August.

Equipment Distribution – Wednesday September 6th, 5 – 7:00pm (1 hr. shifts)

Equipment Collection – Wednesday, Nov. 15th, 6:00 – 7:00pm.

Picture Day- tentative date – September 30th 1-2 hour shifts to help direct teams.

Sponsors/Patrons - As a volunteer organization, much of our financial support is provided through donations and the generous support of our sponsors.

Earring & Eyeglass Alert

Your child cannot play soccer with earrings or any other jewelry. This includes ears, eyes, lips, etc. that have just been pierced. Taping them does not prevent serious injury. Please have newly pierced ears (or eye, lip, etc) done 6-8 weeks prior to the start of the soccer season. Also, for grades 5-12, some officials will not let you play with glasses unless they are safety glasses or goggles. Most officials will not say anything, but if they do your child won't be allowed to play with eyeglasses.

FALL INTRAMURAL TRAINING FOR 1st, 2nd, 3rd GRADE BOYS & GIRLS

TEYSA will have available to all INTRAMURAL 1st, 2nd & 3rd grade boys and girls training by B.E.S.T on Wednesdays and Sundays starting September 6th & 10th and each Wednesday and Sunday through November 5th . Your coaches will be given the schedule to distribute at the beginning of the season for when your team is scheduled to train. We will also post the schedule on the website. This will be an excellent opportunity for your kids so please try and attend your scheduled sessions. We will have 12 teams train every Sunday and six teams every Wednesday so please try to make it. We will post the schedule as early as possible so you can put it on your calendar.

This is an excellent opportunity for your child to be trained by the “BEST”. Coaches are encouraged to attend and watch and learn.

Fundraising, Costs, Fees, Improvements

TEYSA will not be raising registration fees this year as we try to keep costs as low as possible. Our fees are far below our neighboring township soccer clubs, which charge \$125 and more per child. Fees will have to go up next year in the face of rising costs; Tredyffrin Township doubled their field fees, TE School District is now charging the same as Tredyffrin (it was no cost), and the cost of everyday business is going up.

While we try to keep all costs down, here's just a few examples of the high costs:

Intramural Uniforms - \$20,000	Bank Charges - \$8,000	Field Equip- \$15,000
Coach's Awards - \$7,000	Field Renovation - \$28000	
League Registration/Ins - \$20,000	Intramural Player Awards- \$10,000	
Training - \$12,000		

These are just a few examples of the high costs to run the league. We have been very successful in leveraging our size to keep costs down and to keep registration fees low and still add to our Field Development Fund.

In 2006-07 TEYSA will be installing an artificial field (like Teamer) along with our normal field maintenance. We are in the initial stages of development with the engineers and township planners. We are also negotiating to put a second artificial field in if we can find the right partner. One field costs between \$800,000 and \$1,000,000 (including all site work and water mgt. Work) so our Field Development Fund will be depleted quite rapidly.

TEYSA is also planning on upgrading our intramural training program, which we began upgrading two years ago with professional training clinics on Sundays for the younger grades. We will be looking to hire a full time professional trainer to oversee our K-6 intramural program. We will have this person train the kids and the coaches and rotate throughout the week at the practices and games. Our goal is to make sure all kids have fun, learn the fundamentals of soccer and have more fun. It has become quite clear that we must help educate our parent coaches who volunteer their time. While some of you are knowledgeable soccer parents, many of you are not but would love to help out. We are going to implement a uniform system of training that will be both fun and educational for the kids and educational for the volunteer coaches.

TEYSA is proud to announce that we have a new **Director of Fund Raising, Brian Bradley**. With all the extra programs and the costs associated with them and the cost of paying for artificial fields, **FUNDRAISING** will become an important aspect of TEYSA. Brian has already enlisted the help of some enthusiastic volunteers and we're all looking forward to the upcoming events. The first Fund Raiser will be a raffle and a party to kick off the season. Look for our Club Players to be selling tickets for your chance to win **\$10,000.00!** These raffle tickets will also be your pass to our first ever kick off party to announce Coach of the Year among other awards, a silent/live auction, and a wonderful catered cocktail party. **Save September 16th (5-8pm) on your calendar and help support all our improvements.** Check our website periodically for updates and details.

TRAVEL TRYOUT PROCESS

For the younger age groups (U-9-10-11) tryouts are designed to have independent evaluators conducting the tryout whenever possible. The evaluators used are supposed to be people who do not have children involved in the tryout. TEYSA now pays professional soccer trainers to help evaluate at the tryouts. We are at the mercy of volunteers showing up for the tryout and the availability of paid trainers. If enough independent volunteers do not show up at the tryout the head coach must enlist the help of parents with kids involved in the tryouts. Unfortunately, this is not always the best and most ideal situation but it is the best we can do. The older age groups are generally evaluated by the Head Coach and Assistant Coach of the A and B teams. In most cases the head coach of the A team is a professionally paid soccer coach with no bias toward any child on the team other than their soccer ability and their ability to make the team better.

While the evaluators, independent or not, score the players and rank the players, ultimately player selection is at the discretion of the head coach. Most TEYSA A teams are now coached by independent, paid coaches. For returning teams, tryouts are not the only criteria used in evaluating the players.

Some of the criteria the head coach will use in selecting a player are:

1. Tryout evaluation
2. Game performance from the just completed season
3. Overall athletic potential of a player
4. Attitude of a player
5. Commitment of the parents of the player
6. Positional considerations (i.e. Goalie or fullback needed)

There is no specific weighting to any of the above criteria.

The tryout process is for a head coach to be able to pick players for the upcoming season. The results or placing of players within these evaluations will not be made public. There will be no written or verbal evaluation given to the player or the parent. If a player or parent is looking for this type of evaluation they should hire a private trainer and have them assess their child's strengths and weaknesses.

Attendance at both tryouts is preferable. Missing a tryout can have an adverse effect on the evaluation. This is more true in the case of a player the coach has not seen play before.

Every coach strives to select the best possible talent available. The goal is to field the most talented group of players at a given age. However, mistakes are made; especially in the younger age groups. Tryouts in any sport are not an exact science. The only thing for certain is that there will be mistakes made during the U-9 selection process and many times during the U-10 selection process.

If your child does not make a travel team please encourage him to play intramurals, practice year round and tryout the following year. It is a year round commitment to practice to make a travel team. If your child makes the "B" team and you or he feels that he should have made the "A" team, again, encourage him to make the best of the situation and use the year to be the best player on the team and try again next year. There are always "bubble players"; 5-6 players who either are the last 3 on the "A" team or the first 3 on the "B" team. What is the deciding factor in this selection is impossible to say. We can only hope that each child makes the best of his situation and works hard for the goals he has set for himself.

We hope this clears up many of the questions that have been raised about tryouts. It's not a perfect system, but we do our best to make it fair.

TEYSA REFEREE PROGRAM

TEYSA is always looking for youth referees. We will provide training and resources. If you are interested, please inquire by calling John Dautrich at 610-688-1163 or email him at Jumpcd@aol.com. You must be 12 years or older. Register yourself online so that you can be sure to be contacted. See the link on our website.

Certified Referees are used for grades 5 through 12. Youth referees are used for grades K through 4. TEYSA has adopted a zero tolerance policy of abuse from parents, players and coaches. We pay the youth refs before each game as follows:

K-\$6/game, 1st - \$7/game, 2nd grade - \$9/game, 3rd grade - \$12/game and 4th grade - \$18/game.

Most youth refs work two to three games on a given Saturday.

SAFETY AROUND SOCCER GOALS

According to the Consumer Product Safety Commission, since 1979 there have been multiple deaths and serious injuries from soccer goals tipping and crashing onto children. Most of these deaths and injuries were the result of children climbing or hanging on the goals. TEYSA is committed to providing a safe environment for children and we need your help to do this. We, therefore, request that you communicate to all children that **ANY CLIMBING OR HANGING ON SOCCER GOALS IS STRICTLY PROHIBITED**. Also, if you move a goal, please replace the sandbag on the goal to secure it. Always check to make sure the sandbag is in place on top of the goal legs. **DO NOT PLAY WITHOUT THE SANDBAG ON THE GOAL!** Thank you for your help.

PLAYER/TEAM ASSIGNMENT QUESTIONS

All kindergarten to sixth grade players should be contacted with their team assignment by August 15, 2005. If you have not heard from your coach via email or telephone you should contact the Conference Manager of your child's age group/division. You can find the Conference Manager's name and contact information on our website, www.tesoccer.org by clicking on Contact Us, and then on "Conference Manager".

All players in grades seven to twelve should hear from their coach by the start of school. Please follow the procedure above if you are not contacted.

SPRING CLINICS FOR 2ND GRADE BOYS AND GIRLS

(FIRST AND THIRD GRADE CHILDREN WITH APPROPRIATE BIRTHDATES ARE WELCOME)

We are happy to announce that TEYSA is again going to sponsor 6 spring soccer clinics for all children living in Tredyffrin or Easttown Townships who were born between [August 1, 1997](#) and [July 31, 1998](#). The clinics are opportunities for your son or daughter to play soccer, and also if interested, to prepare for the April U9 Travel team tryouts.

The soccer clinic dates are as follows:

Saturday, April 22 + Sunday, April 23
Wednesday, April 26
Saturday, April 29 + Sunday, April 30
Wednesday, May 3

All of the soccer clinics will be held for the **Boys from 4:00 pm to 5:30 pm on Sat/Sun and 4:30 – 6:00pm on Wednesdays** and for the **Girls from 5:30 pm to 7:00 pm on Sat/Sun and 6:00-7:30pm on Wednesdays**. All sessions will be held at the Hilltop Field on Beaumont Road across from Beaumont Elementary School in Berwyn. Coach Jeff Morris and his staff from World Cup Soccer Academy will be conducting all of the clinics.

The sessions are free of charge and you do not have to register to participate. You can bring your son or daughter to as many of the sessions as you wish to attend and you can stay for as much of each clinic that you can. The clinics are intended to be a warm up for the travel team tryouts, but you are more than welcome to participate even if your child is not planning to try out for any travel team.

We will require that all participants wear shin guards. All players must bring their own soccer ball and water bottle to each clinic. Should inclement weather cause us to cancel any of these sessions, the cancellation will be posted on our TEYSA website www.tesoccer.org.

If you have any further questions, please contact Kevin Jennings at Kevin.Jennings@ceridian.com or 610-688-2613 for the girls and Bette Kozlowski at bkozlowski@kpmg.com or 610-296-3324 for the boys.

Please go to our website, www.tesoccer.org, for the dates/times/location of the U-9 tryouts.

TEYSA BOYS TRAVEL TRYOUTS FOR FALL 2006

A and B teams will be formed in most age groups, C teams at younger ages where warranted.

Players are expected to come to both tryouts and to be on time.

- Manchester University Coach
- Philadelphia Freedom player
- Over 10 Years Main Line Coaching
- Over 35 years soccer experience

Our Staff

Our senior staff includes professional trainers who have played and coached at the professional, collegiate, and junior national team levels. They have joined us from countries such as England, Italy, India, and France, and institutions such as Haverford College, Dickinson College, Penn State University, Villanova University, and Cornell University. Our junior staff consists of local high school scholar/athletes who help create an ideal environment for young athletes to grow. Our coaches not only have strong soccer backgrounds, but we are proud to say that they are some of the best role models in the world of youth sports.

Our Program

Moving into its 14th consecutive year, our camp has become a fixture on the summer calendar. Players receive individual attention in small, skill-appropriate groups. They improve their ball control, moves, and tactical awareness as well as play many small-sided games. Our coaches focus on teaching the fundamentals of passing and receiving, dribbling, shooting, and heading. Players also work on tactics by working off-the-ball movement, combination play, crossing and finishing, and defending.

In addition to soccer, by placing an emphasis on values such as respect, friendship, and integrity, **World Cup Soccer Academy** is dedicated to **Building Character Through Athletics**. This synthesis of character and skill building provides attendees with lessons that will benefit them for a lifetime.
